# Microchip Registration

These instructions will guide you through registering your pet's microchip. You can also view these instructions on our website at <http://www.rescued-treasures.com/microchip/>

Currently Home Again charges \$10.99 to register your pet's microchip under your name.

1. Visit <https://www.homeagain.com/chipfurkeeps/home.jsp>

---

2. Click the link in the blue bar that says "FOR PET PARENTS"

The screenshot shows a web browser window with the URL <https://www.homeagain.com/chipfurkeeps/home.jsp>. The page features the HomeAgain logo with the tagline "A lost pet's best chance" and the Petfinder logo. A navigation bar includes links for HOME, FOR SHELTERS, and FOR PET PARENTS. A prominent yellow banner displays the "Chip FurKeeps" logo and the text "Microchipping program available exclusively to Petfinder members!". Below the banner, a paragraph explains that the program is a collaborative effort between Petfinder and HomeAgain. A section titled "How it Works" lists several bullet points: adopters enroll microchips with HomeAgain online or by phone; each enrollment earns a free microchip; any brand of microchip can be enrolled; HomeAgain ships free microchips in boxes of 25; and there are incredible discounts on HomeAgain Universal WorldScan Reader Plus scanners. A phone number, 1-888-HOMEAGAIN (1-888-466-3242), is provided for enrollment. A footer note states that the program is available exclusively to Petfinder-member organizations in the U.S. The page also includes a copyright notice for 2016 Intervet Inc., a subsidiary of Merck & Co., and Peanuts Worldwide LLC.
